I (the undersigned) except full responsibility for the safe operation of equipment entrusted to me for use by Port Protection Adventure's in Port Protection, Alaska. I understand that I am all missing and lost item's and damages incurred except those of normal ware and tear. Normal wear and tear doesn't include running skiffs ashore on rocks or in a manner that cause damage to them. Outboard motors are not to be run in shallow waters. The undersigned will be responsible for repair or replacement of damaged props and motors if damaged under these conditions. This includes all fishing and hunting gear you check out. Being this is a remote wilderness area, there are not the many services available in more populated areas. I will check all equipment and operate in a safe manner; all safety gear will be checked before leaving dock. Failure to do so could result in injury or death. Personal flotation devices must be worn at all times while on the water. Watch your step! Walkways in rainforests can be slippery. Hand rails may not be present or capable of supporting you. I accept responsibility for all accidents and injuries during my stay and exonerate Port Protection Adventure's from any and all liability. Have a great time in the wilds of Alaska, be careful.
